

IS THE PROJECT  
A GOOD FIT?

## APPLICATIONS

Distribution Centers | Warehousing | Logistics | Manufacturing  
Food Production & Storage | Cold Storage / Freezers | Data Centers  
ASRS Facilities | Rack-Supported Buildings | Robotics Facilities | Flex-Needs

## PROJECT SIZES

50,000+ Square Feet: Slab on Grade  
20,000+ Square Feet: Raft Slabs, including Freezer/Cooler

## BASE DESIGN ATTRIBUTES

High Load Requirements | High Clear Height Buildings  
Steel or Mesh Reinforcement | Joint Fillers  
6"+ Specified Standard Concrete
